

1ST JUNE

BACK TO DANCE

COVID SAFE HANDBOOK

EXCITING NEWS!

As of **Monday the 1st of June** classes will resume back in the studio!

We would like to take this opportunity to thank our community for supporting us while online and also thank our amazing staff who have been so incredible with maintaining online classes.

In saying this, we do have new policies and procedures to follow to ensure the safety of our students, their families and our staff. It's time to prepare for our return and ensure we adhere to Safe Work Guidelines for COVID-19.

Let's talk some finer details..

UPDATED TIMETABLE

With our transition to online classes, there have been a few changes to our timetable. Please see updated schedule on our website. We do hope to return to our full timetable over the course of the year

STUDENTS WHO COULDN'T JOIN WHILE ONLINE

We understand many families couldn't join us while online. However, we anticipate our classes will fill up fast. Government regulations will only allow a 10-student capacity, so please ensure you get in touch to enrol for the rest of this term as there may not be a space available for your preferred class time/day or with your favourite teacher.

Please note: payment for the remainder of this term is due upfront to secure your position.

JUNE LONG WEEKEND

Classes start back as of Monday the 1st of June. This includes the long weekend.

**Now...lets get into the updated
policies**

COVID SAFE

ACPA POLICIES

CONTACT TRACING

Our team will keep accurate roles for all classes using our online system. This is imperative for our community as a strict pre-cautionary measure.

· It is also recommended that families download the COVIDSafe app: www.health.gov.au/resources/apps-and-tools/covidsafe-app.

SOCIAL DISTANCING

All our studios will meet capacity guidelines and will adhere to the 1 person per 4 square metres rule. Spots will be placed on all floors to support this

Teachers will not be partaking in any partner work and equipment will only be used where necessary

Our timetable has been updated to allow a cross-over time period between classes to ensure students maintain their social distance

DROP OFF/PICK UP

Parents will need to drop off students only. No parent is allowed to enter the reception area or studio space. Please call or email if you require assistance.

DROP OFF ONLY 10 MINUTES PRIOR TO CLASS STARTING

Exit procedure – students will come out in supervised blocks. Please be prepared to wait 10 minutes after your class is finished for your child to exist safely whilst adhering to COVID safe ruling.

Our car park will be closed. We will be using this space to ensure a healthy drop off and pick up. No parking is allowed.

HYGIENE

All students and teachers must sanitise upon entry to the building

An hourly cleaning schedule will be set up for all amenities and equipment in the studio

If a student is unwell, please stay home to ensure the safety of our dance community.

Our staff will closely monitor the health and wellbeing of all our students. If a student shows flu like symptoms, they will be sent home immediately.

COVID SAFE

WAITING BETWEEN CLASSES

Students who have time between classes, will need to be picked up. We will not have our usual waiting spaces available for students. This is in place to ensure we meet capacity guidelines made by the government.

MERCHANDISE

If you require any of our merchandise, please email and pay prior to your next lesson. Our team will arrange to have this ready for collection at your next class.

If you have any questions regarding the above, please give us a call on 8352 7860 or email info@acpa.com.au.

We thank you for your continued patience and cannot wait to see you all back in the studio.
