

ACPA END OF YEAR PRODUCTION 2020

We would like to say a big thank you for all your patience. COVID has certainly posed a few challenges but our team have been working hard over the past month on providing a solution that meets not only COVID guidelines but also ensures that parents/guardians can come and watch the show!

Shows will be held on the **14th/15th/16th of December at Golden Grove Recreation Centre**. One of the most exciting elements of the show for both our students and their parents is to see LIVE what they have been working on for the year. To achieve this and make sure we abide by current COVID restrictions, the length of the shows will be reduced compared to previous years, so we can allow for a greater audience capacity.

We have done our very best to keep attendance to 1 night, however some students may be required for 2 or more nights, dependant on their classes. We have strived to reduce costs as much as possible for families in what we know has been an extremely tough year. In line with this, ticket prices are significantly reduced compared to previous years, most by almost 40%.

In addition to this, we have stripped back production elements to also assist with costs. Normally, our team bring in an array of lighting options, props and purpose built sets to enhance the show, however this year we will be keeping it simple. What this means for our families, is that we will be reducing the prop/extra rehearsal fee from \$35 to \$15 per student. As this fee has already been invoiced, in Term 4 you will see a \$20 credit applied to your account.

Please ensure that you have finalised your End of Year Production costs including the costume by the end of this term.

TICKETS GO ON SALE: MONDAY THE 12th OF OCTOBER!!!

*Please note we have curated our shows so each child can have 2 people attend 1 performance on any given evening (due to COVID this must be members of your family). These tickets are not held by ACPA and must be purchased online. Our shows always sell out and any remaining tickets will be released for sale closer to the show.

*Link to purchase tickets will be sent closer to sale date

So how is this actually going to work?

You will see below four casts. Each cast is unique and will perform their show twice on one night. Please check carefully for which cast you/your child belongs to and the associated show time.

10.00pm – Show 2 Concludes

***please note parents are to pick up students after the 2nd show.**

Frequently asked questions

1. What happens if my child is included in more than one cast?

All students will perform two shows on the same night however parents/family will only be able to attend one of these shows. For students included in 2 casts, parents/family can purchase 2 additional tickets for the extra performance night.

2. Why does my child have to perform twice in one night?

To allow for all families to be able to watch the show, we have reduced the show duration but increased the frequency performed to accommodate seating requirements. This also gives our students more time to experience the joy of being on stage and wearing their fabulous costumes.

3. Can I pick my child up after one show?

We are working hard to create a safe but also fair environment for all. We ask that students stay for both shows so that it doesn't affect the routine being performed.

4. Will your shows be on weekdays next year?

We currently have GGRC booked in for Friday the 10th of December until Sunday 12th of December, 2021. We do our very best to provide a space that meet all requirements.

5. What does the 'footage access fee' allow us?

This year, instead of producing physical DVD's, we will be sending families a link to be able to access and download all of the shows performed at GGRC. These files will be in High Definition. You can also forward these files to friends and family to watch and enjoy. The link will be available for 3 months after release.

If you have any questions, please don't hesitate to get in touch (08) 8352 7860 or info@acpa.com.au
